Resurrection of our Lord and Savior Jesus Christ

Christ is Risen!
Indeed He is Risen!

Khrystos Voskres!
Voistynu Voskres!

My dear Parishioners!

On this very momentous day for all of us, let us celebrate Christ's victory over suffering, sin and death. The day of Resurrection of our Savior is the most important day for our salvation, because despite everything and anything that the evil one threw at our Lord Jesus, the evil failed to defeat the Goodness itself. And it is truly wonderful good news for us, who believe in Jesus as our Lord and Savior. Nothing in this life that is oppressing us can ever defeat our spirit, when we put our trust in the Lord, no sin, no suffering, no broken heart, no death. Jesus conquered them all.

The devil tried to destroy our parish so many times over the past two decades through his evil schemes, but our Lord Jesus has resurrected our community to become a city on the hill, a lighthouse for all those seeking the Light of Jesus Christ. And it was possible because of the love and strength of God in our hearts, set on fire by the Holy Spirit.

Having received this great gift, we can never keep it to ourselves, but share it with our families, friends and neighbors. It is our duty and a privilege. I wish you a blessed Easter, so that the Risen Christ grants you His grace and blesses you with good health and many happy and blessed years!

Sincerely yours in Christ,

Rev. Andriy Kelt, your pastor
